

## KUMDC's Tech Time

January 2019

Issue 7

A monthly guide to free helpful apps for students available on smart phones, tablets, and computers.

### App Spotlight

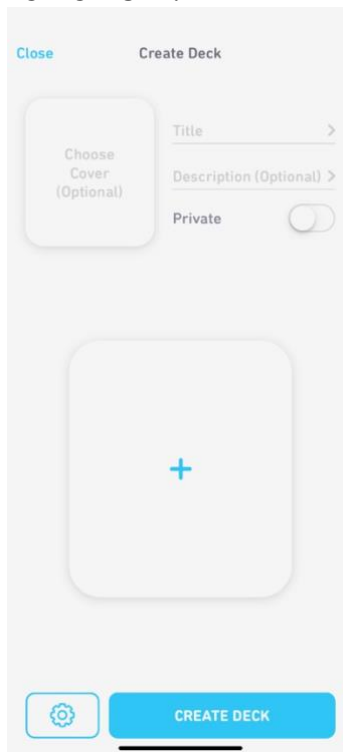

## Tincards

Tincards, created by Duolingo, is a free flashcard app available on for mobile devices and is usable on the web. This app allows users to create flashcards, follow other users, search flashcards from specific topics, and participate in mini-lessons to increase your memory. Tincards is a great resource to study new knowledge in an interactive platform.

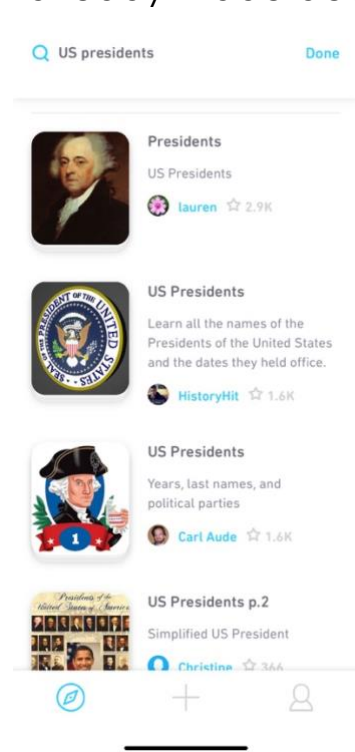

- ✓ Browse available decks on a variety of topics.

- ✓ Create your own cards, using pictures and text.

- ✓ Search for specific topics to find an already made deck.

Available on:

App Store

Google Play

Microsoft

Amazon
